

# YOUTHLINK

## Directions and Parking Information

**Parking:** We have a parking lot on site you are welcome to use when visiting YouthLink. Be aware that space is limited and spaces are narrow. Those with larger vehicles may prefer to park on the street. There is ample metered street parking nearby on surrounding streets (see yellow areas highlighted on map below). When using the YouthLink parking lot, please observe all Reserved Parking and No Parking signs and be sure only to park in designated, lined parking spaces. There is no parallel parking allowed along the building or fenced areas.

**Entrance:** There are two entrances to YouthLink's Welcome Center: One off the corner of Chestnut and 12<sup>th</sup> Street (accessible entrance), and the other off the north end of the YouthLink parking lot. Ring the doorbell on the interior vestibule door to be admitted into the building.
